FAREWELL TRIBUTE

Reverend Monsignor Henryk Franciszek Micek, MTh

70th Resident Priest of 15 years, 2006 - 2021

St Patrick's Catholic Parish, Kogarah

Reverend Monsignor Henryk Micek has proven to be a pillar of stewardship in his 15 years of appointment as Administrator of St Patrick's Catholic Parish in Kogarah. When he became the 70th Resident Priest at St Patrick's, after its Foundation Day in 1885, he admirably continued the care of St Patrick's Church and Parish for the benefit of current and future generations of Catholics.

As the humble keystone of all celebrations - liturgical and sacramental, Monsignor Henryk has inculcated our Catholic Faith and his wisdom in both young and old, and ministered to all in the parish, the local schools, the hospital, the Aged Care residents, and neighbouring parishes.

World Youth Days - 2008, 2016

When Australia hosted the 2008 World Youth Day, he oversaw the hosting and provision of accommodation of many delegates from far and wide. He also led the delegates of St Patrick's delegates to the 2016 WYD in Krakow, Poland.

St Patrick's Catholic Primary School and Parish Hall Building Projects - 2009

Aside from being an ideal spiritual advisor, he was an active actor in the governance of St Patrick's Catholic Primary School, and he ensured that the facilities of the school were always catered for. In 2009, he supported the request of Sydney Catholic Schools to construct an additional building for the Primary School on Parish-owned land, by approving financial aid for the project fully from the funds of St Patrick's Parish.

Construction of the Parish Hall, financed by a federal government grant, was also done under his supervision.

Bethany School building site developed into St Patrick's Green - 2016

Monsignor Henryk made the crucial decision to maximise the use of the vacant former Bethany School building site and paved the way to a profitable commercial opportunity. His negotiation with Greengate: Retirement Living & Boutique Aged Care Villages, for a long-term lease, led to the building of 'St Patrick's Green' which has ensured the financial future of St Patrick's Parish.

St Patrick's Church Major Renovation Project - 2019

The approval from the Archdiocese for the Major Renovation on the exterior and interior of St Patrick's 130-year-old Church was successfully obtained by Monsignor Henryk. Even though he had numerous pastoral duties and health issues, he effectively managed to oversee the entire renovation process.

St Patrick's Church, 130th Anniversary - 17 March 2019, St Patrick's Day

The 130th Anniversary celebration of St Patrick's Church was the pinnacle of the Church Major Renovation Project. Together with the assistance of many Parish volunteers and benefactors, the planning and coordination were significantly guided by Monsignor Henryk. The Most Reverend Anthony Fisher OP, the Archbishop of Sydney, and other clergy, concelebrated the Holy Mass of Consecration of the Church. The high attendance in the church on the day was proof that it was a very memorable event in the long history of St Patrick's Parish.

Finally...

Our Cluster family would like to pray for Monsignor Henryk's continued good health and strength in spreading and upholding our precious Catholic Faith and, by God's grace, he will continue to accomplish his duty in the Parish of Holy Innocents Croydon.

Traditional Irish Blessing dedicated to Monsignor Henryk Micek

May the road rise up to meet you.

May the wind be always at your back.

May the sun shine warm upon your face;

*the rains fall soft upon your fields and until we meet again,
may God hold you in the palm of His hand.*

'Monsignor is a good priest with a big heart.'

'We will look forward to his occasional visits in the future.'

Monsignor Henryk Micek
By Fr Janusz Bieniek

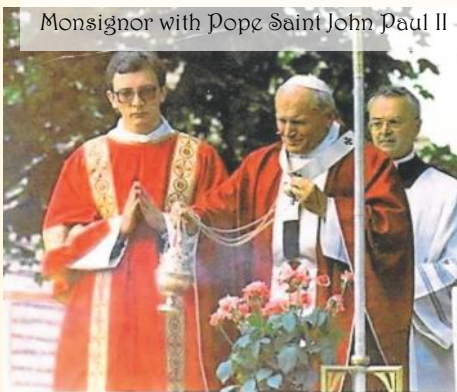

I have known Henryk for 30 years. We met when he arrived in Papua New Guinea in 1988. Over the next 10 years we worked together in the Missions in PNG. Henryk worked diligently and enthusiastically in parish activities in the diocese of Kundiwa – a significant workload that involved operating the main station and visiting more than 10 village communities in the mountains. He also worked actively for the developmental, agricultural and educational initiatives in the various communities in the diocese.

Henryk then became a respected and effective lecturer at the Divine Word University in Madang. On the weekends he continued to be actively involved in pastoral work and served communities in the province.

After 16 years in PNG Henryk moved to Australia. I was happy to support his relocation to the Broken Bay Diocese in 2004 and ensured that he satisfied the visa requirements. In 2005 Henryk moved to the Archdiocese of Sydney and was subsequently appointed as Administrator of St Patrick's Parish in Kogarah in 2006.

We have maintained close contact for the last 14 years in which time I have been inspired by his commitment to his parish. He has demonstrated an ongoing devotion to the spiritual renewal of the parish while still being actively involved in the primary and high schools, and the hospital.

Henryk has also undertaken several major projects for the advancement of the parish: he was a prime force in the development of the former Bethany School building site (now St Patrick's Green - a Retirement & Aged Care Village), the rebuilding of St Patrick's Primary school, the construction of the Parish Hall, and the total renovation of St Patrick's Church - while simultaneously being very involved in the pastoral, liturgical and sacramental care of the people of the parish.
